GIRLS ON FILM

TIFFANY & BAMBI

When it comes to getting laid, some guys inarguably have all the luck. They sashay around town, splashing their seed onto the upturned faces and heaving breasts of the multitudes of hot-to-trot honeys they happen to stumble upon along the way. Charles is one of these way-fortunate individuals. Born under some sort of lucky fuck star, Charlie consistently gets his junk juggled by hordes of hella hot bitches in heat. Just recently he bumped into the super sexy Chawna Lenee at the supermarket and managed to lure her back to his pad were they humped their way through an array of awesome positions that flaunted Shawna's flexibility. Bending her every which way while banging her brains out, Charles managed to pause a moment before smearing her in mannaise to reflect upon the true fabulosity of his existence. "This," he thought as he gazed down at Shawna's freshfucked frame, "is the life." 😹

HIGH-MAINTENANCE GLAMOUR PUSSIES HILLARY SCOTT AND AUDREY BITONI CONSTANTLY CRAVE ATTENTION. WHEN UNABLE TO FIND SUITABLE STUDS WILLING TO GO THE EXXXTRA MILE, THESE PORNO PRIESTESSES TEAM UP TO GIVE EACH OTHER THE DOSE OF PRIMO PAMPERING THEY BOTH FEEL ENTITLED TO. IT ALL BEGINS WITH A METICULOUS LICKING FROM TIT TO TWAT, LEAVING NO INPPLE OR NUB UNSUCKLED. AFTER A CLIT-TWITCHING DOUSING OF SWEET SALIVA, FINGERS ARE DIPPED DEEP INTO MANICURED MUFF HOLES, STIRRING AND STRETCHING TO PREP THEM FOR THE DILDOS TO FOLLOW. ONCE THE PLASTIC INSTRUMENTS OF PLEASURE ARE INSERTED, THE TWO LUSTY SEX INDUSTRY A-LISTERS FUCK EACH OTHER WITH A FEVERISH INTENSITY UNTIL BOTH THEIR SNAPPERS GLEAM GOOD AND WET. LASTLY COMES THE POST-PEAK CUDDLE, AN IMPORTANT RITUAL MANY MEN NEGLECT. THESE GIRLS GET IN A FEW FINAL STICKY GROPES BEFORE PARTING WAYS WITH THEIR EGOS SATISFIED AND THEIR CUNTS CONTENT.

WHEN KACEY MET CHARLES SHE COULDN'T BELIEVE HER EYES. "WHAT," SHE WONDERED, "THE FUCK?" HIS OUTFIT MADE HER SHUDDER IN HORROR. BUT WHEN HER HAND ACCIDENTALLY GRAZED HIS PACKAGE SHE SHUDDERED AGAIN, THIS TIME IN WHORE-OR. SHE KNEW THAT SHE HAD TO GO HOME WITH HIM. WHEN THEY ARRIVED AT HIS PAD SHE SAW THAT THE DÉCOR WAS SHOCKING, BUT KACEY BRAVELY AVERTED HER EYES AND STRIPPED DOWN, DETERMINED TO GET EXACTLY WHAT SHE CAME FOR—A GENEROUS HELPING OF MAN MEAT. SHE WAS STARVING! SHE HADN'T BEEN LAID IN HOURS AND WAS RARIN' TO GO. BUT CHARLES REFUSED TO DISROBE, WHICH MADE IT TRICKY FOR KACEY TO CLIMAX. SO SHE STARED OFF TO THE SIDE WHILE HE GAVE HER THE GOODS, LOCKING EYES WITH HIS TROUSER SNAKE ONLY RIGHT BEFORE IT SLITHERED DOWN HER THROAT. SHE GOT FUCKED TO HER FILL JUST LIKE SHE WANTED AND COATED IN COCK CREAM TO BOOT. KACEY'S ALWAYS BEEN A PRO AT MAKING THE BEST OF IT.

What the Stars of XXX Do Besides Having Sex on Film

Day Joh!"

ou might think that porn stardom in this century is a full-time job. Just imagine for a moment that you're living the unbelievably hectic life of a modern-day porn star. You've got early-morning call times, countless hours in the makeup chair, scripts to study, appearances to make, phone calls from photographers and agents and PR people and co-stars and production managers who are all making demands on your time and attention night and day. There's time spent traveling from city to city, and after you're off the plane and checked into your hotel room you've got autographs to sign, parties to attend, awards to accept, feature shows to perform, interviews to do, rock stars to date, a website to maintain and at some point in the middle of all this you have to find time to shop and perhaps actually

shoot a movie or two. And you've got visits to your plastic surgeon. And your hair extensions need to be redone. And what about that husband/boyfriend/suitcase pimp? Or what if you (gasp) have kids? Holy shit!

With a schedule like that, I ask you, what porn starlet has time for any other businesses in her life, either while she's in the business or even after she retires? Well, let's take a look at a few Type A adult star overachievers who've made time.

Take Savanna Samson, for one. The adult film superstar is at the top of her game. She has a lucrative, multiple-year contract with industry powerhouse Vivid, the star of over 25 popular XXX films including The New Devil in Miss Jones with Jenna Jameson, multiple appearances on "The Howard Stern Show,"

and countless gigs as a feature dancer as she tours around the world. But in 2005 she was evidently feeling a bit unfulfilled, however, and wanted more than a life of taking onscreen loads on the chin, so she decided to make her mark by taking a trip down a road less traveled by—she started making and selling her own brand of fine wine.

A joint venture with Italian winemaker Robert Cipresso, already known for his Chiacci wines, Savanna Wines debuted its first vintage to rave reviews in 2006. Featured in a February 2006 article in nothing less than the venerable New York Times itself, Samson's debut release was a big hit in the wine world; no less an expert than Mr. Robert M. Parker, a universally-respected wine mayen, raved about Savanna Wines' "Sogno Uno 2004," and was

quoted telling the *Times* it was "a very fine wine—awfully good." The wine was debuted in Manhattan's exclusive La Masseria restaurant, and immediately sold out its initial run of 409 cases. "Sogno Due 2004" followed to more rave reviews in 2007, and Savanna Wines was off and running.

Then again, perhaps consumers just wanted to get a look at the label on the bottles of that first vintage, which featured an extremely sexy photo of Savanna's hot bod clothed in a barely-there, very sheer night-gown. Who wouldn't want a little taste of that?

For porn stars, who are known more for taking their clothes off than leaving them on, launching your own clothing line may seem like an odd choice for a side business. But don't tell that to XXX powerhouses like Tera Patrick or Jenna Jameson.

Self-professed fashion addict Tera Patrick, adult film superstar and president of Teravision, Inc., debuted her own "Mistress Couture" line (which is produced by clothing giants Lucky 13) of lingerie and clubwear by using her porn star friends as fashion models during Erotica L.A. in 2007 and at her annual Diva Las Vegas parties at Tao in Las Vegas during the AVN convention.

noted fashion designer Christian Audigier at his Culver City, California headquarters on her own new line of clothing. Miss Jameson has already walked the runways in New York and L.A. during Fashion Week, in Mr. Audigier's designs as well as others, and her initial venture into fashion promises to be a wildly popular one.

The sexy outfits, which feature names like "Charmed," "Fit to be Tied," "Homewrecker," "Lean & Mean" and "Vixen" are described by Tera as being "very popular in strip clubs." They can all be ordered online at clubtera.com.

off. "Hey! Wait a sec," you blurt out. "Didn't you use to be a porn star? Aren't you..."

With that, the funky music begins to play, and she smiles as she begins to unbutton her blouse. It all sounds like the beginning to a cheesy sex scene, doesn't it? It could be, but if your friend recommended you call Pinnacle Estate Properties, Inc. or visit TeamStacey.com

Yet another adult star who has made his own foray into the dothing world in the past is Mr. Marcus with his line of Daddy Inc. clothing, and the porn industry's own beloved Mofowear line deserves be mentioned-T-shirts, tank tops, and panties with an attitude, designed by XXX director Jimmy "Mofo" Rodriguez himself and promoted by the Official Mofowear Girls, who include some of the biggest names in porn-Belladonna, Katrina Kraven, Gianna Lynn,

Flower Tucci and Luscious Lopez, among others.

Let's say you're in Southern California, and you're in the market for some commercial real estate. A friend recommends that you call a certain agent, and when she shows up to walk you around some property you begin to get the strangest feeling that you've seen her somewhere before. Naked, as a matter of fact, and with a mouth filled with cock. With a jolt you realize that the hot lady in the business suit discussing closing costs and square footage with you is someone you've watched on countless evenings while whacking

online, then this ain't no fantasy from a porn movie. It's real life, and it's former Vivid Girl Raylene who is playing the hot fantasy girl selling you the property.

In early 2004 Raylene, now known as Stacey Hirsch, joined forces with friend and fellow realtor Staci Mintz after the two met at Southern California's Paramount Rodeo Realty. Since forming Team Stacey, the two have closed over \$13 million in sales, \$4 million of which are related to the adult industry. One of their more highprofile jobs in recent months was finding a new home for AIM Healthcare, the adult industry's medical clinic. AIM director Sharon Mitchell, herself a former performer, said, "Stacey was able to do a wonderful job at a very reasonable rate for us." In gratitude to what the adult business has done for them, Team Stacey even makes donations to AIM and to the Free Speech Coalition a part of every sale they make.

They say the casting couch is alive and well in the Hollywood film industry, and if the same is true for the music business then there is a group of recording artists who already have two legs up—way up—on their competition. Porn starlets who are also singers have been recording for years, and some of them even have some natural talent to display along with their other, more talked-about assets.

Monica Mayhem is a singer as well as a hottie. And India, a former contract performer for Video Team for five straight years, released her debut album Role Play on independent label Black Widow Entertainment in 2006. A collection of 10 songs revolving around the many personas she portrays in life and onscreen, the album reportedly sold well and was promoted nationwide in dance clubs and adult stores. Her vocals were also featured in the hit movie Walking Tall, starring The Rock. Former porn superstar Heather Hunter released her first hip hop album The Unexpected in July of 2005. Hunter had recorded several dance singles on the Island and Tommy Boy labels in the 1990's, but The Unexpected was her first full-length disc. A music video for "So Serious," a single on the album, featured rap superstar Wyclef Jean.

As far as others using their pipes for something other than orgasmic screams, Taylor Wane is working on her debut album and collaborating with some major players in the music biz such as Thin C. of Bone Thugs N Harmony fame. Evan Seinfeld, a/k/a/Spyder Jonez and the hubby of Tera Patrick is following up his "Supergroup" and Biohazard music fame with his new band The Spyderz. Brittany Starr has a small club hit with her song "I Wanna Fuck the DJ," and there are lots more hoping to rocket up the charts with a little song and dance.

Obviously, there is more to life and more to business than just fucking on film. Take a group of dedicated, intelligent and beautiful young ladies who are wildly successful in an industry like porn, and just try to prevent them from branching out and using their godgiven (or surgeon-augmented) talents to find success outside of Porn Valley. We wish them all well!

Morgan and Candy have always been there for each other no matter what, no questions asked. Like the time when Morgan was caught shoplifting dildos from the local sex shop and Candy came running, fast as lightning, with her pockets full of bail money. Or the time when the wife of the married man Candy was sleeping with came home early and caught them in bed together and Morgan rushed right over in her sports car in order to provide a quick getaway.
